President's Message

What is Cricket as a sport? How it originated and what was the main aim of this sport?

I was not familiar with the term Cricket. Recently, the term Cricket has started to lead my thoughts and made me wonder and was surprised, not because I started playing Cricket, but because of the number of cricket enthusiasts who constitute a huge part of Dukhan Community and their constant ongoing activities.

The main objective of the Chairman's Cup Cricket Tournament is to provide an opportunity to the cricket enthusiasts of various Departments of Qatar Petroleum and its Subsidiaries to enjoy the spirit of competition and sportsmanship associated with the game of cricket.

The invaluable time and tireless voluntary effort our members put into the smooth running of the tournament, both behind the scene and on the field, amazes me. I would like to appreciate and thank the executive committee and volunteers who supports and runs this tournament with an equally wonderful spirit year after year. I must also thank our friends, families and supporters who turn in great numbers to encourage the players, which is crucial to ensure maintaining of the high standards we have set for ourselves.

Once again I congratulate Amwaj B team for being crowned Champion of 10th Chairman's Cup Cricket Tournament – 2014. Also, may I wish everyone a successful cricket season ahead and hope to see you all at the Dukhan Cricket Ground.
