

6TH CHAIRMAN'S CUP CRICKET TOURNAMENT - 2010

Weekly Bulletin

Dukhan Community Team Excels

DKN Community v MIC - Feb 26, 2010

DKN Community won by 8 wickets

MIC 46 (15/15 ov) ; DKN Community 49 (7.5/15 ov)

Worldwide the Cricket season is on, and Dukhan was not to be left behind. The Opening match of the tournament began in pleasant and cool surroundings but got off to an electric start. The very first ball resulted in a golden wicket when Loy of Dukhan Community had Shahzad of MIC caught behind. The Dukhan boys who had won the toss and elected to field on a wet outfield, kept up the pressure. MIC could never recover and kept losing wickets regularly. The deciding punch was delivered when Yasir, the main MIC batsman was caught at short midwicket off the first ball he faced, a low full toss which should have seen the ropes. Murali was the only batsman to reach double figures. At the end of 15 over MIC managed to muster only a total of 46 for the loss of 10 wickets. Not facing a huge target, the Dukhan Community boys knocked off singles, helped by a few wides and overthrows. In the eight over Rattan closed the show with a flurry of strokes resulting in a four and followed by a six. An allround team effort and convincing win for the Dukhan team. Mohinuddin was the man of match for his 3 wickets.

The Friday weather then decided to turn violent and dusty. The strong winds and shamal, made play impossible and the second match was called off midway through the NGL Gas Operations innings. As the weather continued to be unrelenting, the other two afternoon matches of the evening were also called off.
